Fire Destroys Lyons School \$500,000 Fire Razes

Sunday, June 14, 1977 Lyons School, Gym

The Washington township Grade and High school building and gymnasium at Lyons burned to the ground, along with practically all equipment and supplies Sunday morning, in the most disastrous school fire in Greene county history.

Unofficial estimates of the loss placed it at well

above a half-million dollars.

Today, Lyons school officials announced that a meeting of all school patrons of the township would be held at 8:00 o'clock Tuesday night at the Lyons First Methodist church, to discuss the future of the school and emergency measures to be taken to care for the educational needs of the school's pupils.

The school, during the 1956-'57 term, had 180 pupils in

the Grade school and 87 in the High school.

Only a part of the brick walls and brick partitions of the school building were left standing by the fast-moving flames early Sunday morning. Township Trustee Charles Lace, School Principal, Charles Street and members of the Washington Township Advisory Board held an emergency

Linton, Ind. (Spl.)-A fire, visible for several miles, early vesterday destroyed the 50year-old Washington Township School and gymnasium at Lyons, eight miles southeast of Linton.

Damage to the two-story brick and frame building was estimated at \$500,000. Township Trustee Charles Lace, whose house next door was endangered, said he believed the school was insured for \$250,000.

Firemen from four Greene County cities of Lyons, Linton, Bloomfield and Worthington fought the blaze for three hours unsuccessfully. When they arrived flames were shooting from several

By 8 a.m. only a few walls were left standing and authorities planned to raze them as a safety measure.

The cause has not yet been learned but firemen believed the fire may have started from defective electrical wiring.

ALL SCHOOL RECORDS were destroyed along with furniture and other equipment. Duplicate records are on file in the Greene County Schools superintendent's office at Bloomfield.

School was dismissed three weeks ago for the summer. However, workmen had been in the building Saturday sanding floors and installing a sump pump in the basement.

Following the fire, Trustee Lace and his advisory board met to make plans for accommodations for the school's 260 elementary and high school

pupils for next fall.

meeting Sunday afternoon to consider plans for knocking down the walls, some of them toppling dangerously.

Found at 4:45 A.M.

The fire was discovered at about 4:45 o'clock Sunday morning by Stanley Pickard, 22 years old, of Lyons, who was returning to his home from Vincennes.

He said that as he approached the town on state road 67, from about a mile and a half southwest, he saw some smoke in the air. He noticed more of the smoke, coming from the school building, when he drove past the building.

Pickard went to the Lyons Telephone office and, after a few minutes, was able to have the fire siren sounded. Then, with Melvin Biggs and two or three others, he drove the Lyons fire truck to the school building.

Trucks Are Called

Fire trucks were called to the scene from Worthington, Linton and Bloomfield, and the Greene County Emergency Truck went there from Linton.

By the time the Lyons fire truck arrived at the school building, some of the windows in the building were shattered by the heat, and when the air struck the flames they began burning fiercely.

Veteran fire-fighters who were at the scene said that the flames spread with almost unbelievable rapidity.

The interior of the building was consumed in less than three hours, and the Linton Fire truck returned here before 8:00 a.m.

Last-Half Lyons' Rally **Eventually Tops UHS** In Overtime, 63-57

Coach Al Gallo's luckless University High basketball team saw a 14-point second-quarter lead slowly melt away last night, as the Univees dropped their ninth in twelve starts in a thrilling overtime contest. Lyons put on a determined drive in the final Defeats Lions Five the UHS Gym.

Larry Waggoner was the star for the Lyons quintet as he scor-1 ed eight of the last 10 points in regulation play, and then came back with five of the eight points in the overtime period.

When Lyons missed its first eight shots, the Univees surged into a quick 6-0 lead after only three minutes. But then the Univees had difficulty in finding the range, as Lyons took up the slack. Bill Powers scored all of the Lyons points as the Univees held an 11-7 lead at the first stop.

Lvons Stages Drive

Tom Schuessler and Bill Brummett put the Univees into a 10point lead at halftime, as the two front-line men, scored more than half of the Univees 17 points in the second quarter. UHS outscored LHS 17-11 in the second period' and held a 28-18 lead at the half, after once fronting at 28-14.

The third quarter was all Lyons. Bob Lace came into action and hit three straight 25-footers and Gene Hasler accounted for seven points during the period. Lyons outscored the Univees 22-12 in the period and the score was tied 40-40 with only eight minutes to

Dave Rich and Milo Sampson! hit baskets in the final 90 seconds, only to have Waggoner come back with two quick ones to knot the score at 54-all at the end of regulation time. Lyons had a golden opportunity to win as, with only one second showing on the clock, Roy Riggles, a substitute forward, was fouled by UHS center-forward Bill Brummett. But he missed the free chance and sent the game into overtime.

Sampson was fouled in the opening seconds of the overtime and cashed both shots. But the hot-shooting of Waggoner spoiled the Univee plans once more, as 1 he canned two field goals and a free throw to push the winners out in front by three big points. Gary Hunter added the final points on a field goal and a free

Lyons Team Downs Hymera Net Five

The Lyons High school basketball team, hard pressed all the way, defeated the Hymera prep quintet 58-55 Tuesday night in a game at the Coalmont gym.

The Lions had a three-point bulge, 15-12, at the end of the first eight minutes, but trailed at the half. A third-quarter spurt gave the boys from Washington township an eight-point lead, 48-40, as the final period opened. In the last quarter the Lions were able to stave off a Shakamak comeback attempt, to capture the victory.

Larry Hasler, with 23 points, was the top scorer for both teams, while May led Hymera with 19. Larry Waggoner scored 18 and Bill Powers collected 10, to take second and third honors, respect-
